

# SLINGER

BEAM ROTATOR

**PROBLEM SOLVED!**

YOUR NEW **RAPID** AND  
**AFFORDABLE** BEAM  
AND COLUMN  
ROTATOR

# SLINGER

## STOP WASTING TIME WAITING FOR THE OVERHEAD CRANE!

SO MUCH OF YOUR WELDER'S TIME IS WASTED WAITING FOR THE OVERHEAD CRANE OR FORKLIFT TO TURN-OVER HEAVY BEAMS AND COLUMNS.

- Stop waiting for the overhead crane!
- Get your fitters and welders, fitting and welding!
- Moveable, self-standing SLINGER accommodates beams from 8 ft. to 60 ft.
- Integrated hydraulic unit lifts and lowers beams.
- Direct drive motor rotates to any angle for ergonomic welding.
- Dramatic improvements in efficiency, profitability and safety.
- Frees up your overhead cranes to move heavy material around your shop.

## EASILY ROTATE HEAVY BEAMS AND COLUMNS!

EASY TO LOAD & UNLOAD

\*WORK TRESTLES NOT INCLUDED

ROTATE TO WELD AT ANY ANGLE

WIRELESS REMOTE

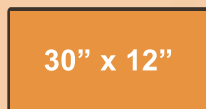

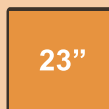

DIRECT DRIVE MOTOR ROTATES BEAMS

OIL LEVEL/TEMP GAUGE

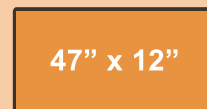

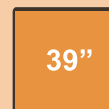

### Available in two capacities

#### 4 TON

- Capacity 4 Ton
- Voltage 460/480V 3 Ph
- Rotation 18 sec.
- Weight 1,900 lbs

#### 6 TON

- Capacity 6 Ton
- Voltage 460/480V 3 Ph
- Rotation 30 sec.
- Weight 3,200 lbs

The Ocean Slinger is a durable heavy-duty quality machine, featuring standard off-the-shelf hydraulic and electrical components for fast and easy servicing. Supported by Ocean Machinery's legendary after sales service!
